WHAT OUR CLIENTS SAY ABOUT US

The insurance review and advice from Hamilton & Hamilton revealed our property was grossly undervalued and would have left us financially vulnerable in the event of a partial destruction. With correct values established we were very pleasantly surprised with the premium rate outcome. We are grateful of the advice and service provided by Hamilton and Hamilton and have no hesitation in recommending their services.

Comfort Inn - Gold Rush

We found Hamilton & Hamilton always came up with the best pricing and the best service. They are easy to deal with, they make things simple and straightforward whilst having an understanding of what our needs are. This works for us – they make it easy to understand so I know what I am buying.
