

# ARE YOU PREPARED FOR A TAX AUDIT?

## Dealing with an audit by the Australian Tax Office can be time consuming and expensive.

Here at Austbrokers Countrywide we offer a range of products that will ensure you aren't left with an audit bill of thousands of dollars.

The cover that Austbrokers Countrywide can organise for you will cover you, your business, your directors, or your self-managed superannuation fund for a low cost compared to pricey professional fees incurred as a result of an external audit.
