

How to propel your performance.

With more than 30 years' experience, Rob Nankervis will outline techniques to build leadership and maximise growth, revenue and profits.

Rob Nankervis is a business consultant, advisor and executive coach to leaders of SMEs. As a Gazelles International Certified Coach, he specialises in driving strategic growth agendas and overcoming performance challenges.

With qualifications in accounting and business, Rob was formerly a Director in Ernst & Young's Performance Improvement practice, a Partner in a mid-tier leadership advisory firm, a company director and he also held a number of commercial and consulting roles.

He is the author of upcoming book *Propelling Performance: Why your business is under performing and what you can do about it* and writes the regular *Rob's Insights* leadership column.

Join us in learning the key actions to propel your business into FY18
